To whom it may concern.

I am glad to recommend Growthway Ltd as a reliable partner in the field of process optimizations and delivery of non-standard equipment.

We get in contact with the company at the beginning of 2020. The team of Growthway Ltd created and delivered to us efficient technical solutions such as manual cable pull-tester, air-driven screwdrivers, HV contacts, etc on a very competitive price. The excellent service enables us to plan more future projects together. All the equipment was delivered on time and with excellent support from the company's team.

Taking into consideration the above mentioned, I can confidently recommend Growthway Ltd as a solid supplier and experts in their field.

Sincerely,
Ivelin Georgiev
Plant Manager
